

Will Tuttle, Ph.D.

Music and Education for Spiritual Evolution

"One of the most profound spiritual experiences of my life."

Rev. S. Carter

Dr. Will Tuttle's uplifting presentations and inspiring music have touched the hearts, minds, and lives of thousands. Weaving words and his unique heart-opening and inspiring original piano music, he opens doors to inner imaginative realms where healing insights emerge and blossom.

"Hearts were touched and tears flowed as Will's inspired music worked its magic. Music is always a universal language. Combined with Will's knowledge and wisdom, it becomes an instrument of divine grace."

Rev. A. J. Quay

Dr. Tuttle currently appears at progressive churches and centers throughout North America and has been featured in many hundreds of spiritual gatherings and conferences worldwide. His message and music have been greeted with warm enthusiasm wherever he has appeared. At centers & churches, he typically presents the morning message, special music, and meditation on "Awakening Your Inner Genius," and later often delivers an educational workshop, "Opening the Intuitive Gate," and/or a concert of original music, "Piano Passion."

"Stirring, heart-opening, inspiring, he takes solo acoustic piano into a new dimension, inviting us to explore the far reaches of our imaginations and soar into the fresh dawn of a new day. My highest recommendation."

Edge Ryals, *New Age Retailer Magazine*

"Will has that rare ability to communicate effectively with his audiences from both the sense level and the realm of intuition."

Rev. Tom Witherspoon

Dr. Will Tuttle, a visionary writer, pianist, and composer, has presented widely throughout North America and worldwide. Author of the Amazon #1 bestseller *The World Peace Diet* as well as five other books, and recipient of the *Courage of Conscience Award*, he has also taught over 20 different courses at the college level, including courses in mythology, philosophy, comparative religion, and creativity. His Ph.D. dissertation in education from the University of California, Berkeley, focused on educating intuition in adults and was nominated for the Best Dissertation Award. A Dharma Master in the Zen tradition, he has done intensive training in Korea, and has practiced meditation for over 40 years, studying contemplative Christianity, and a variety of non-Western spiritual traditions. He is devoted to planetary awakening through spiritual education, and concerts of his critically-acclaimed music, with ten CD albums of original music and guided meditations. Rev. Tuttle travels with his spouse, Madeleine, a Swiss visionary artist, providing lectures, seminars, concerts, TV & radio presentations, meditation retreats, exhibits, and individualized music and art portraits.
